

# UNIVERSAL POLE MOUNT BRACKET FOR CCTV'S

STI-7081

## PRODUCT OVERVIEW

Here is an excellent device to help mount CCTV camera housings to poles. The stainless steel bands are adjustable allowing it to be mounted on 2 1/4 inch to 4 1/2 inch diameter pole. Multiple hole patterns allow use with various camera mounts. The adaptor bracket is made of heavy gauge steel with a powder coated finish to help resist rusting. Can be easily modified for additional pole mounting applications.

## KEY FEATURES
